Email: **thanhnga.truong@uspto.gov**

Request Detail -----

Attachment: **No**

Case/Application number: **10/080476 PALM**
Priority App. Filing Date: **02/23/2001**
Format for Search Results: **EMAIL**
Board of Appeals Case?: **Yes**

Synonyms:

providing = sending retrieving = reading

Describe this invention in your own words.:

Information system included information access point related to a pre-determined geographical area, wherein information access point including apparatus for retrieving information related to trusted computing platform and said information system providing said information related to trusted computing platform to a portable computing apparatus visiting the pre-determined geographical area.

Terms to avoid:

Additional Comments:

This application has been appealed for three times. However, I am still not comfortable allowing this case and need some help from STIC in searching for the following limitation:

"providing information (related to trusted computing platform) from the information access point to portable computing apparatus visiting the pre-determined geographical area"

Prior that I have used:

Stewart et al (US 6,414,635 B1) and Hay et al (US 2002/0089528)

Thanks in advance,

Tanya
